CAREER OBJECTIVE

Aspiring to thrive in a dynamic and demanding legal and professional space as a Corporate and Commercial lawyer, Legal Strategist and Legal Technologist.

PROFILE

A Detail-oriented and proactive individual with a strong sense of responsibility, creativity, and motivation. Known for my sharp attention to detail, inquisitive nature, and approachable personality, I thrive in high-pressure situations, requiring minimal supervision. In addition to my legal expertise, I also possess software development skills and a successful track record of founding startups. These attributes, coupled with excellent negotiation skills and a proven ability to work effectively in teams, enable me to provide innovative and holistic solutions. I am dedicated to delivering outstanding outcomes while adhering to legal standards and business practices, making me a valuable asset in any professional setting.
